## All Seeing Eye Robert Thurman

The *New York Times* bestselling author of the Cal Leandros series delivers a bold new supernatural thriller where one man's extraordinary abilities come with an equally phenomenal cost.

Picking up a small, pink shoe from the grass forever changed young Jackson Lee's life. Not only did its presence mean that his sister Tessa was dead?murdered and stuffed in the deep, black water of a narrow well?but the shoe itself told him so. Tessa's death triggers an even more horrific family massacre that, combined with this new talent he neither wants nor can handle, throws Jack's life into a tailspin. The years quickly take him from state homes to the streets to grifting in a seedy carnival, until he finally becomes the cynical All Seeing Eye, psychic-for-hire. At last, Jackson has left his troubled past behind and found a semblance of peace.

That is, until the government blackmails him. After Jackson is forced to help the military contain the aftermath of a bizarre experiment gone violently wrong, everything he knows about himself will change just as suddenly as it did with his little sister's shoe.

And while change is constant...it's never for the better.
