**Crash Course General Medicine Updated Print + eBook edition, 4e** Oliver Leach BSc Med. Sci (Hons) MBChB MRCP, Gijsbert Isaac van Boxel BMBCh PhD MRCS

The (printed) 'Updated Edition' now comes with added value access to the complete, downloadable eBook version via Student Consult. Search, read and revise whilst on the move and use the interactive self-assessment to test your understanding. *Crash Course* - a more flexible, practical learning package than ever before.

Crash Course - your effective every day study companion PLUS the perfect antidote for exam stress! Save time and be assured you have all the core information you need in one place to excel on your course and achieve exam success.

A winning formula now for over 15 years, each series volume has been fine tuned and fully updated, with an improved layout tailored to make your life easier. Especially written by junior doctors - those who understand what is essential for exam success - with all information thoroughly checked and quality assured by expert Faculty Advisers, the result is a series of books which exactly meets your needs and you know you can trust.

Building on the success of previous editions, this new volume provides a concise account of the broad range of general medicine from the most salient features of history taking and clinical examination to investigations and further management. The staggering progress of medicine and the relentless growth of information available can be daunting - included here are carefully selected key developments from recent years most relevant to your course and modern clinical medicine. This clear overview will prove invaluable throughout your undergraduate years, leading up to your finals exams and well in to your first years of practice.

- More than 400 line artworks, tables and boxes present clinical, diagnostic and practical information in an easy-to-follow manner
- Friendly and accessible approach to the subject makes learning especially easy
- Written by junior doctors for students - authors who understand exam pressures
- Contains 'Hints and Tips' boxes, and other useful aide-mémoires
- Succinct coverage of the subject enables 'sharp focus' and efficient use of time during exam preparation
- Contains a fully updated self-assessment section - ideal for honing exam skills and self-testing
  
- Self-assessment section fully updated to reflect current exam requirements
- Contains 'common exam pitfalls' as advised by faculty

The (printed) 'Updated Edition' now comes with added value access to the complete, downloadable eBook version via Student Consult. Search, read and revise whilst on the move and use the interactive self-assessment to test your understanding. *Crash Course* - a more flexible, practical learning package than ever before.

Now celebrating over 10 years of success - Crash Course has been specially devised to help you get through your exams with ease.

Completely revised throughout, the new edition of Crash Course is perfectly tailored to meet your needs by providing everything you need to know in one place. Clearly presented in a tried and trusted, easy-to-use, format, each book in the series gives complete coverage of the subject in a no-nonsense, user-friendly fashion.

Commencing with 'Learning Objectives', each chapter guides you succinctly through the topic, giving full coverage of the curriculum whilst avoiding unnecessary and often confusing detail. Each chapter is also supported by a full artwork programme, and features the ever popular 'Hints and Tips' boxes as well as other useful aide-mémoires. All volumes contain an up-to-date self-assessment section which allows you to test your knowledge and hone your exam skills.

Authored by students or junior doctors - working under close faculty supervision - each volume has been prepared by someone who has recently been in the exam situation and so relates closely to your needs. So whether you need to get out of a fix or aim for distinction Crash Course is for you!!
