His Master's Servant (Gay Historical Romance MM Spanking BDSM) (Gay Regency Romance MM Book 2) Leo David

After surviving being marooned on a deserted island in the Caribbean, sailors Chris and Will get picked up by a British clipper ship and are forced to leave behind a **sexual paradise** utopia.

Soon after, Chris, a wealthy officer, is able to get himself and his lover Will out of the Navy. He hires Will to be his personal manservant in their huge London mansion.

Life isn't easy for manservant Will, who needs to be *punished* daily, or so the game goes. He and Chris continue their power and pain games at home, after not having gotten their fill of painful yet pleasurable **whippings** and **spankings** on the island.

After the role play, there is always time for Chris and Will to lay together in front of the fire.

Will their love last while Chris has the gay affair with Will? Can two men love each other openly in the Regency Period in England of the early 1800s?

No matter what, as the flames grow strong in the fire, causing glistening sweat to form on the two male bodies, the fire in them grows even stronger and brighter yet...

6,600 words, Gay erotic romance set in the Regency Period.
