**How to Keep Your Volkswagen Alive: A Novel** Christopher Boucher

**It's hard being a single-dad raising a son—especially if your kid is also a 1971 Volkswagen Beetle.**

There's nothing more troubling than having your child break down on the side of the road, leaking oil, overheating, and asking tough questions like, "What is death?" and "Why did Mom leave?"

But stay calm!

Because *How To Keep Your Volkswagen Alive* is not only a dizzyingly beautiful novel, it's also a handy manual with useful chapters on "Tools and Spare Parts," "Valve Adjustment," "How To Read This Novel," and, most important of all, "How Works a Heart."

Welcome to Christopher Boucher's zany literary universe, a place where metaphors shift beneath your feet, familiar words assume new meanings, objects talk, trees attack, and time actually is money. Modeled on the cult classic 1969 hippie handbook of the same name, *How To Keep Your Volkswagen Alive* is an astonishing tour-de-force that tackles some of life's biggest questions: How do you cope with losing a parent? What's the secret to raising a child? How do you keep love alive? How do you get your car to start?
