Live from Middle America: Rants from a Red-State Comedian Brad Stine

Hilarious and thought-provoking, Brad Stine is a comedian who hails from—of all places—Middle America. So what happens when a conservative who is convinced that America is the greatest country on the planet, except for all the idiocies that have infiltrated it at the callous-free, baby- soft hands of liberals, gets the opportunity to rant on the page? By-products of "liberal lunacy," such as bump signs on our highways, airbags for safety, the decline of tobacco use, the contagion of Starbucks, and garden-variety political correctness, become grist for Stine's comedic mill.

Laugh-out-loud funny and acutely insightful, *Live from Middle America* will prove irresistible to those who recognize themselves in its pages, and marks the publishing debut of one of conservative America's most original voices.
