Discover the joy of serving others.

How can you identify full devoted followers of Christ? Their servant lifestyle gives them away! In our “me-first” culture, servanthood is the earmark of men and women who have discovered the joy of giving. But the secret to servanthood isn’t running yourself ragged trying to be everything to everyone—it’s pouring freely out of a full cup the things you were designed to give.

Love in Action shows how you can break the back of self-centeredness and experience the satisfaction of serving others wisely and effectively. You’ll discover how sharing your unique personal resources and spiritual gifts can become a source of strength to others, worship and praise to God, and a personal delight that nothing else can match!

Interactions—a powerful and challenging tool for building deep relationships between you and your group members, and you and God. Interactions is far more than another group Bible study. It’s a cutting-edge series designed to help small group participants develop into fully devoted followers of Christ.
