**THE PROTECTORS:** Though they work independently and at times are oceans apart, their ties to each other remain strong. They're related by blood or bond -- this group of men and women in law enforcement, government intelligence, and the military who do what others cannot to serve, defend, and protect.

## **PURSUED: The Protectors Series -- Book Three**

Chief Of Police Mitch Turner is finally close to getting the evidence he needs to prosecute crime boss, Christopher Rossington. When Mitch's fiancée, Shelby, is attacked, he must consider the attack wasn't random, but Rossington's attempt to strike out at Mitch. Shelby insists she wasn't targeted but Mitch has questions -- about the attack and now about her . . .

Dr. Shelby Grant appears to be living a fairytale life. She is doing meaningful work at her psychology practice and she's engaged to marry Mitch, the man of her dreams. But all is not as it appears. Nothing Mitch knows about her is the truth. She's been lying to him since the day they met and keeping a secret from him. She lives in fear he will find out what she is hiding. Her secret, if revealed, will destroy his love for her and will kill them both.
