**Sustainable Church: Growing Ministry Around the Sheep, Not Just the Shepherds** Walt Russell

*Sustainable Church* is a thorough, Bible-based exposition of how the ministry of every church should be organically built around all of the Spirit-gifted followers of Jesus within that local body. It critiques the shallow pragmatism and unsustainability of non-organic churches and biblically showcases the sustainability of the organic church. “Body Discipleship” is a key part of the church’s sustainability and the author explains biblically how it corrects the model of discipleship that has been popular for the last 2-3 generations. Additionally, *Sustainable Church* showcases the servant-model of biblical leaders who are supposed to equip the saints to do the work of ministry on behalf of Jesus, the true Pastor/Shepherd of *every local church!*
