When she decides to write an article about BDSM in popular culture, she tells herself it's just research and nothing personal for she can't afford to become the target of gossip or scandal. She hopes that the carefully worded agreement she writes up will keep her relationship with the Dominant she will interview strictly professional. Then 'Master D' - Drake Morgan - walks into the interview and Kate is mortified for not only is he gorgeous, he's the son of her father's best and oldest friend...

Drake Morgan, MD, bass player, philanthropist – Dominant. Known as Master 'D' in Manhattan's BDSM Community, Drake must keep the kinky side of his life secret to protect his very successful career as a neurosurgeon. After a heartbreaking divorce, Drake doesn't do girlfriends, he doesn't do sleepovers, and he certainly doesn't do breakfast in bed the morning after. He keeps everything in his well-ordered life separate and under his firm control.

Then Kate McDermott crosses his path and screws everything up. Now, nothing is neat and tidy anymore, and no longer under control for Drake is smitten and things are going to get messy...
