Between the Bridge and the River

Craig Ferguson

Between the Bridge and the River Craig Ferguson

Two childhood friends from Scotland and two illegitimate half-brothers from the deep South suffer and enjoy all manner of bizarre adventures that, it turns out, are somehow interconnected and, even more surprisingly, meaningful.

The eclectic cast of characters features Socrates, Carl Jung, and Tony Randall, along with an ex-television evangelist with a penchant for booze, prostitutes, and uncomfortable knitwear who gets mugged in Miami by an almost pure-blooded Watusi warrior - and sets off on a road trip in a stolen motor home.
