Los Esforcias de Milán (Clásicos Hispánicos nº 59) (Spanish Edition)

Antonio de Meneses Martínez

Los Esforcias de Milán (Clásicos Hispánicos nº 59) (Spanish Edition) Antonio de Meneses Martínez Martínez de Meneses escribe esta comedia para la reina Isabel de Borbón, a quien servía como ayuda de guardajoyas. Posiblemente representada en los cuartos de la realeza, como divertimento y denuncia a la política del conde-duque de Olivares, no vio la luz pública hasta 1646, cuando, después del luto por el fallecimiento de Isabel de Borbón, se volvieron a abrir los teatros al público.

Comedia basada en la verdadera historia de los Sforza de Milán, manipula los hechos para construir una intriga que sirve a los intereses españoles del momento. Las mujeres se constituyen en las protagonistas del drama, para liberar a la patria del poder del tirano.

La obra intenta mantener un ritmo dramático entre lo vulgar y lo culterano —tan de moda en su momento—, entre el amor y el poder, entre la comedia y la tragedia. Sin embargo, Martínez de Meneses no renunciará a los principios lopescos para conseguir el aplauso de nobles y plebeyos, con un drama que perdurará en las tablas hasta el siglo XIX.
