Ash Kaiden Rowe lives in a world of heartbreak and misery ever since her mother left her at the age of birth. Not being able to be a child and relish all the little things in life, Ash was forced to grow up and smell the roses at age thirteen. Every question she had remained unanswered. Ash's story was different though. Her mother was alive and had left her baby because of choices. Living in a foster home nestled in Upstate New York, which was far away from her birthplace of sunny California, life wasn't always smooth sailing. But what happens when Jake Waterson walks into her life with an offer such as finding her own creator? Will she be able to pop the bubble that is her only barrier to a forgiving life? Will Jake be able to show Ash all the beautiful things she has missed over the years? Or will Ash continue as a lost soul with no answers?
