STARDUST (Roca Editorial Novela) (Spanish Edition) Gailman, Neil

El joven Tristan Thorn está dispuesto a hacer cualquier cosa para conquistar el frío corazón de su amada Victoria, incluso a prometerle que le conseguirá la estrella que ambos ven caer una noche. Para cumplir su palabra, Tristán deberá cruzar el muro que separa su pueblo del País de las Hadas, un vasto territorio donde nada se parece a lo que él ha conocido, donde ni siquiera las estrellas tienen forma de estrella y donde los duendes y los espectros campan a sus anchas. En ese mágico lugar, el joven no sólo hará cambiar su futuro, sino que también descubrirá cosas de su pasado que no podía imaginar. Con la ayuda de un unicornio, un barco pirata que surca el cielo, un árbol muy sabio y una florecita de cristal... ¿conseguirá Tristan el amor de su dama? / Gaiman, author of a *Neverwhere* and the graphic novel series *"The Sandman,"* has created an original and well-written fairy tale. Young Tristran Thorn has grown up in the isolated village of Wall, on the edge of the realm of Faerie. When Tristran and the lovely Victoria see a falling star during the special market fair, Victoria impulsively offers him his heart's desire if he will retrieve the star for her. Tristran crosses the border into Faerie and encounters witches, unicorns, and other strange creatures. Library Journal Movie features: Sienna Miller, Rupert Everett, Robert De Niro, Michelle Pfeiffer and Peter O'Toole.
