## The Sound of Us Julie Hammerle

Kiki Nichols might not survive music camp.

She's put her TV-loving, nerdy self aside for one summer to prove she's got what it takes: she can be cool enough to make friends, she can earn that music scholarship, and she can get into Krause University's music program.

Except camp has rigid conduct rules?which means her thrilling late-night jam session with the hot, equally geeky drummer can't happen again, even though they love all the same shows, and fifteen minutes making music with him meant more than every aria she's ever sung.

But when someone starts reporting singers who break conduct rules, music camp turns survival of the fittest, and people are getting kicked out. If Kiki's going to get that scholarship, her chance to make true friends?and her first real chance at something more?might cost her the future she wants more than anything.
