Bear Naked for Christmas Edith Hawkes

Christmas in the arms of a handsome stranger wasn't on Katie's wish list, but she sure isn't going to say no and return him!

Spending Christmas in a cozy cabin on Scarfell Mountain is a family tradition, and after a rough year that includes a recent breakup, Katie can't wait for a relaxing holiday with her parents. However, when she meets Noah, the new surly and reclusive stranger next door, her vacation turns to anything but relaxing!

He's smoking hot, cut in all the right places, but beneath all that muscle, Noah is hoarding a dark secret. And like a magnet being drawn towards him, Katie is determined to find out what it is... but not before her ex shows up and throws everything into chaos.

Bear Naked for Christmas is a short holiday novella set on Scarfell Mountain in amongst the Bear Oak clan. It has hot and steamy scenes, and features a guaranteed **Happy Ending** and **no cliffhanger**.
