Counseling Children and Adolescents, Third Edition

Counseling Children and Adolescents, Third Edition

This highly practical new edition of "Counseling Children and Adolescents" combines innovative techniques with solid theory for helping children. It is a developmental approach with major revisions in all chapters. The new chapter on counseling culturally and ethnically diverse youth shows how to develop cultural, ethnic, and racial self-awareness as a counselor. The book offers a plan for designing a developmental counseling curriculum from primary grades through high school. It presents empirically based strategies and shows how to assess needs and design helpful interventions. Play therapy, brief counseling, rational - emotional therapy, small group counseling, working with at-risk youth, and working with parents are all part of this text. The rich experiences of the authors as both practitioners and clinicians, in addition to being counselor educators, bring a wide array of innovations and creative techniques to this new volume.
