How to Cook Fish

Olive Green

How to Cook Fish Olive Green

Hundreds of classic, easy-to-prepare seafood and fish recipes in this classic cookbook.

“Having caught your fish, you may cook him in a thousand ways, but it is doubtful whether, even with the finest sauce, a pompano will taste half as good as the infantile muskellunge, several pounds under the legal weight, fried unskillfully in pork fat by a horny-handed woodsman, kneeling before an open fire, eighteen minutes after you had given up all hope of having fish for dinner.” -The Author

Olive Green is the pseudonym for the prolific late 19th Century/early 20th Century author, Myrtle Reed. She wrote over thirty-three books and hundreds of magazine articles and pamphlets during her short lifetime. Ms. Reed was best known for writing romance novels that often included themes of everlasting and unrequited love, ironic revenge, mystery, and the occult. Her best known book is *Lavender and Old Lace*, which later became the basis for *Arsenic and Old Lace*.

Ms. Reed used the name Olive Green to write books and articles about domestic homemaking and cooking. Her cookbooks include *How to Cook Fish*, *What to Have for Breakfast*, and *One Thousand Simple Soups*. Myrtle Reed committed suicide in 1911 just after the publishing of her last novel, *A Weaver of Dreams*.
