Roger Hayes

On Point: A Rifleman's Year in the Boonies, Vietnam, 1967-1968 Roger Hayes

In the fall of 1967, baby-faced, mild-mannered Roger Hayes went to Vietnam--with one year of college and one year of basic training behind him. And there, on the strange and savage battlefield, amidst the dying and the loss, Roger Hayes became a warrior, a leader and a comrade--foraging friendships that would be among the strongest of his life.

In this fascinating, penetrating diary of a young rifleman in Vietnam, Hayes takes us through a tour of duty with a mechanized infantry unit in the 5th Infantry during America's bloodiest year of fighting in the Vietnam War. here are the ambushed and mortar attacks, moments of terror and moments of camaraderie that made up one soldier's education in war. At the same time, On Point captures a young man's awakening to his own inner resources: to the courage, skill, and self-reliance that made him the right man for the most dangerous job in the world.

Gary Collis:

As a scholar exactly feel bored to help reading. If their teacher questioned them to go to the library or to make summary for some book, they are complained. Just little students that has reading's internal or real their hobby. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that reading is not important, boring and also can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this On Point: A Rifleman's Year in the Boonies, Vietnam, 1967-1968 can make you really feel more interested to read.
