The Argument-Free Marriage: 28 Days to Creating the Marriage You've Always Wanted with the Spouse You Already Have Fawn Weaver

Is an argument-free marriage possible? Fawn Weaver's answer is yes, absolutely, even when one or both partners are strong willed, independent, and opinionated. (She admits to being all three.) In this groundbreaking book, the best-selling author and award-winning marriage blogger asks readers to invest twenty-eight days in learning how to live together without bickering, blame, angry outbursts, or silent treatments.

Fawn begins with the startling premise that, contrary to popular opinion, conflict in marriage is not necessary or inevitable. Then she leads readers on a day-by-day journey toward a more peaceful and supportive relationship. Chapter by brief chapter, she offers fresh perspectives and practical strategies for communicating effectively, building understanding, and defusing anger while at the same time nurturing honesty, vulnerability, and mutual support.
