Have you ever been hurt by a woman? Are you fed up with the constant bitching, gossiping and manipulation between the females in your life? Do you want happier and healthier relationships with females? Do you wish to weed out the toxic women and seek out only positive women? If you have ever wondered why some women are complicated creatures this book will offer you straight talking answers. This book will highlight all the strange, controlling and spiteful behaviours that some females specialise in. This book attempts to understand what actually drives women to be cruel or bitchy to each other. It attempts to make sense of the huge expectations women place on each other. How can we avoid toxic women? What bad behaviours should we be looking out for? This book explores every cruel behaviour possible and attempts to understand what is really going on between the females in our life. ... .. More about 'Women Behaving Badly', Alana Munro takes us deep into the unnerving yet compelling reality of being a woman, revealing a world where females don't nurture other females. Sharing many deeply personal and shocking tales about bullying, bitching, gossiping, power games, jealousy and much more - Alana explains what each hurtful episode taught her about females. Women Behaving Badly shatters our assumption that all women are loving. It ruptures the delusion of sisterhood. It heightens our awareness of what goes on behind the sweet smiles. It liberates women from the emotional and often difficult prison that is womanhood. It exposes the harsh and fickle reality of friendship between women. This book offers us nothing but the truth. Alana argues that the bonds between women are most often too fragile. She also argues that the ideology of sisterhood is optimistic but unrealistic. Women are human beings with profound emotional shortcomings. Alana also looks at how we can weed out the negative women, pin point suspect behaviours and most importantly how to protect yourself from future hurt. "The easiest thing to do is for me to feel upset and retreat to my bed, never trying to make another friend. Or I can dust myself off and learn from my stupid mistakes. I can even try to make sense of the ridiculous injustices thrown in my direction. My goal for this book? Simply to allow other women a chance to become more aware of the cruel games played by some females, allow women the opportunity to pin point hurtful (and often invisible) behaviours and find healthy friendships again". Alana Munro. ... .. Testimonials from happy customers. "I found myself wanting to print this eBook out and highlight all the solutions that pertain my current relationships with women." "I woke up this morning after reading your book and actually felt liberated. I am not alone, I am not the only woman who has had so much crap from women, thank you!" "I couldn't take my eyes off it. I could relate to her personal stories about females being so nasty to each other. Really good." "This book outlines what to look for in friends. What behaviours to avoid at all costs. It validated a lot of my pain. I think it is a good balanced approach." "She's not attacking women, she's trying to get to the bones of the bitchy and weird behaviour. Shocking. It is shameful how we can be." More information about Women Behaving Badly: \*\*\*This book has been professionally edited. It is fully revised and polished for your enjoyment.
