A Slice Of Time In Rural America (1917) Tom Norton

This book is a glimpse into the lifestyle of the children of a small rural community in Missouri and the year is 1917. The content of this story is drawn from what I know of the year 1917 and what I have learned from relatives who lived during this era and near the location the story takes place. As there was little difference in rural lifestyle from 1917 to 1933, there are still a few older people around who may appreciate this glimpse back in time.
