If you had one shot at a love beyond anything you've ever known, would you take it? What if it meant leaving behind everything you've ever known?

Adira Lora never thought the love of her life would be a prisoner of war who kidnaps her at gunpoint. When Craegin General Fintan Daykin forces her to help him escape from an Imarian prison, Adira finds herself ripped away from the only home she's ever known. All of a sudden she is the captive, bound for a world where the men were born to rule...and dominance is a way of life. She never expects to realize the Craegins are not the barbarians her people have made them out to be, and soon finds herself falling for the large, strong warrior.
