Duncan Howard

Flintstaff and Cramp: The Curious Case of the Case (Volume 1) Duncan Howard

The Curious Case of the Case: "...heralds a lively, fast-moving, high energy narrative, with plenty of sharp witty dialogue which put me in mind of Steven Moffat's Sherlock Holmes and Dr Watson... made me laugh out loud!" Random House Editor. Over forty 4/5 star reviews on Youwriteon.com and voted number 1 bestseller. Charlie thinks he's pretty good at killing demons and solving puzzles on his PC - and it keeps him away from his parents. What he's not expecting is to have to fight a seven foot, blood-red demon when he goes to pick up an old family heirloom from the vaults of a mysterious bank. His whole world is turned upside down as he races against time to discover his true destiny whilst being hunted by the Shadows of the Void. With two friends he'll have to fight off vampires, werewolves and zombies, face his fears and overcome insurmountable odds that will test him beyond breaking point. And then there's Flintstaff and Cramp... Two Victorian adventurers with a case load of steam-powered weapons, a teleporting suitcase, and a whole lot of baddies to kill! Goodreads Review: "...the story is fun and crazy... jump in, it's a hoot."
