Macroeconomics, 5th ed. Manfred Gartner

"Really up-to-date...gives a fantastic overview of the financial crisis" Fabian Kreutzer, University of Applied Science Niederrhein, Germany "Extensive references to and content regarding crises. It's really amazing" Yioryos Georgios Makedonis, Queen Mary University of London Using real-world case studies and examples, this comprehensive text offers intermediate and applied macroeconomics students a truly European and global perspective. Continuing to successfully combine theory with application, Macroeconomics has been fully updated in this fifth edition to keep students up-to-date with the ever changing macroeconomic environment we are experiencing today. This book presents macroeconomics as an applied science designed to improve our understanding of current and past policy issues. * The unique mix of theory, analysis and policy issues takes students from macroeconomic basics to cutting-edge research topics * Includes case studies addressing major policy issues in detail, supported by a wealth of economic data * Moves beyond standard intermediate macroeconomics content by discussing liquidity traps, quantitative easing, price bubbles, multiple equilibria, self-fulfilling prophecy, ratings agencies, debt brakes and austerity * Self quizzes, road map, glossary and other content also available for mobile devices Visit www.pearsoned.co.uk/gartner for a comprehensive companion website featuring interactive macroeconomic models equipped with guided exercises, state of the art data display and analysis, quizzes and more.

From reader reviews:

Stefanie Roach:

A lot of people always spent their particular free time to vacation or go to the outside with them family or their friend. Are you aware? Many a lot of people spent they free time just watching TV, as well as playing video games all day long. If you need to try to find a new activity that is look different you can read some sort of book. It is really fun for you. If you enjoy the book that you read you can spent all day every day to reading a book. The book Macroeconomics, 5th ed. it doesn't matter what good to read. There are a lot of people that recommended this book. They were enjoying reading this book. Should you did not have enough space to deliver this book you can buy the actual e-book. You can m0ore very easily to read this book from your smart phone. The price is not very costly but this book provides high quality.

Connie Simpson:

Do you really one of the book lovers? If yes, do you ever feeling doubt when you are in the book store? Try to pick one book that you just dont know the inside because don't assess book by its deal with may doesn't work the following is difficult job because you are afraid that the inside maybe not while fantastic as in the outside look likes. Maybe you answer may be Macroeconomics, 5th ed. why because the fantastic cover that make you consider concerning the content will not disappoint anyone. The inside or content will be fantastic as the outside or even cover. Your reading sixth sense will directly direct you to pick up this book.

Molly Marquis:

As a college student exactly feel bored in order to reading. If their teacher expected them to go to the library or to make summary for some guide, they are complained. Just minor students that has reading's internal or real their interest. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that reading through is not important, boring and also can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Macroeconomics, 5th ed. can make you experience more interested to read.

Nicol Thomas:

Reading a book make you to get more knowledge from the jawhorse. You can take knowledge and information originating from a book. Book is created or printed or descriptive from each source this filled update of news. In this modern era like currently, many ways to get information are available for you. From media social such as newspaper, magazines, science reserve, encyclopedia, reference book, novel and comic. You can add your understanding by that book. Ready to spend your spare time to spread out your book? Or just trying to find the Macroeconomics, 5th ed. when you necessary it?
