**Psych: the Call of the Mild** William Rabkin  
**Based on the hit USA Network series**

**A new novel fans will be totally "psyched" about...**

**Shawn Spencer has convinced everyone he's psychic.**

**Now, he's either going to clean up-or be found out...**

Shawn Spencer has always hated the wilderness-by which he means anything outside the delivery radius of his favorite pizza place. But Psych has been hired to solve a baffling case of industrial espionage, and the only way to catch the spy is to join their client's bonding retreat-a grueling seven day backpacking mountain trek.

But when one of the campers turns up with a bullet in the head, Shawn and Gus soon realize that sheer cliffs, rampaging bears, and freeze- dried pineapple aren't the greatest threats they face.
