Iris is a real estate agent who spends most of her life working. As an adult at the age of 23, she is feeling the heaviness of her responsibilities and finds herself leading an empty life. She then develops an erotic relationship with a man named Justin, who is quirky but shares the same interests as she.

As she is trying to sell him a house one evening, the two quickly hit it off and have a one-night stand. Iris is disappointing and slightly hurt after Justin ceases to contact her after their hook-up, which results in both her work life and her emotional life suffering. Iris tries to move on but is not able to. She finds herself head-over-heals in love with this man, wishing that she could be with him every day and escape the burdens of her everyday life.
