In 1927, Red Wolverton, Boston's only female private investigator, has a penchant for men's clothing and female lovers. Evadne Davenport, a well-educated, wealthy, and widowed socialite has a desire for adventure and intrigue and would like nothing more than the chance to send her mother-in-law into a screaming apoplectic fit. To that end, Evadne is determined to become Red's secretary. Red hires Evadne, but the new secretary doesn't last a full day. Then a ghastly murder prompts Red to pursue a destructive course for vengeance. Danger escalates, and Red and Evadne find themselves reunited, joining forces to cope with violence, deceit, and death. Their friendship grows and deepens, but so does the evil they're faced with. Will their burgeoning relationship survive? Will they prevail over the dark forces that threaten their very lives, or will an ancient force be unleashed to change their world forever?
