## **Celtic Iron-on Transfer Patterns (Dover Iron-On Transfer Patterns)** Courtney Davis

In this treasury of richly imaginative design elements, British artist Courtney Davis, one of today's leading interpreters of Celtic art, has transformed an eye-filling collection of Celtic designs into 65 easy-to-use iron-on transfer patterns, any one of which will provide a perfect starting point for your next craft project.

The patterns range from simple, elegant Celtic fretwork to elaborate intertwined borders and wreaths, and there are wonderful motifs imaginatively incorporating animals, plants, and other favorite Celtic subjects.

Following the simple instructions included, you can easily apply these beautiful designs to any flat surface that absorbs ink — paper, fabric, wood, and more — to produce a design outline that will assure successful completion of your next venture into embroidery, fabric painting, appliqué, wood burning, and other crafts.
