How to Talk to Spirits, Ghosts, Entities, Angels and Demons: Techniques & Instructions: The Most Powerful Commands and Spells.

This book is unique and extremely useful for many reasons. Mainly because it provides both the beginner and experienced practitioner with the necessary guidance, methods and techniques to communicate with various kinds and categories of entities.

In addition, it instructs the seeker on how to comply with the rules and pre-requisites necessary during a séance.

The author has placed a strong emphasis on:

- The language of the spirits, ghosts, entities and Arwaah.
- What we should do when we hear the voices of entities during a séance.
- The most powerful commands we can use during a séance, and how to order the summoned entities to grant us most needed favors and assistance in urgent matters, as well as general commands pertaining to health, the removal of difficulties in getting a job, the protection of our home from evil spirits, obtaining an immediate financial relief, and so on.

The reader should pay attention to the instructions pertaining to direct conversation with summoned entities, and especially to the protocol in communicating with spirits. This is the first book ever published in the West that deals with these topics.

The contents and ideas presented in this tome are based upon the teachings and lectures of enlightened masters, who have practiced this etheric art for centuries.

Therefore, you should read this book with an open mind, paying extreme attention to the instructions provided by the Ulema. Contacting spirits and entities is a very serious undertaking.

They will respond to you, only if you follow the spirits' protocol, as explained in the book.

Needless to say, you should be patient, and keep on practicing and practicing without despair, for it may not be easy to succeed in your first séance. But eventually, you will succeed.

But without practice, patience, and perseverance, you will not be able to establish a fruitful rapport with spirits and entities.
