Naps are just a little break—but when it's naptime, many toddlers have trouble settling into sleep. This calming, encouraging book helps young children quiet down so they can get the rest they need. Eyes are closed, lights are dimmed...and (yawn, s-t-r-e-t-c-h) before little ones know it, it's time to wake up. Cozy illustrations enhance the text.

An award-winning author/illustrator team offers a fresh look at the times and transitions all toddlers face daily, giving young children the tools to handle routines with confidence and cooperation.

Part of the Toddler Tools series, *Naptime* can be shared before (or during) the desired "time," or whenever toddlers need encouragement with routines. Includes tips for parents and caregivers.
