## **THAT DARN SQUID GOD** Nick Pollotta

In the year 1881, the moon suddenly begins to turn around and reveal its long-hidden darker side to the startled world. While most of Humanity finds the event fascinating, two British explorers know the horrible truth. The rotating moon is the legendary sign that foreshadows the return of a prehistoric demon, the monstrous destroyer of Atlantis, an unkillable colossus known only as the deadly, dreaded Squid God. Racing around the world, and against the clock, Prof. Einstein and Lord Carstairs battle the fanatical legions of Squid God worshippers in a valiant effort to stop the ghastly rebirthing ceremony and keep the demonic mollusk locked in the stygian depths of its unearthly lair. Authors Nick Pollotta & James Clay have lovingly crafted a splendid Fantasy/Adventure, heavily laced with their classic off-the-wall humor, and sprinkled with a light dusting of parody toward the legendary works of H.P. Lovecraft, H.G. Wells, Jules Verne, Sir Arthur Conan Doyle, and just about everything else from the golden glory days of Victorian England.
