Kyle Wadsworth arrives at Harvard eager to start his new life as a college student away from the cold and distant great-aunt who has raised him. But he walks into a building that only magical people can see, confusing both himself and the administrators of Veritas, the secret magical university hidden inside Harvard. There he first sees a beautiful girl who seems magical to him in every way. Soon Jess Torralva is tutoring Kyle in the ways of magic, sex, and love. But trouble is afoot at Veritas. Rumors abound that a siren is haunting the library, and when Kyle's best friend is attacked, Kyle is determined to use his newly learned skills in erotic magic to catch the culprit. But which is more important, his quest for justice or his search for true love?
