Tractate Nazir / Sotah

Tractate Nazir / Sotah

The Soncino Press Babylonian Talmud is the only complete English translation of the Talmud. Its easy-to-use format--with the original Vilna Talmud page opposite its English translation--and its many explanatory notes, have proven a valuable resource for the study of Talmud for more than 50 years. This volume, part of the thirty-volume Hebrew/English set of the Soncino Press Babylonian Talmud, contains the complete tractates of Nazir and Sotah, which deal with the subjects of Nazirite vows and a wife suspected of adultery, respectively.
