After This We Go Dark Theresa Davis

Henry James wrote, "We work in the dark - we do what we can - we give what we have. Our doubt is our passion and our passion is our task. The rest is the madness of art." In this spirit comes *After This We Go Dark*, the definitive collection of poems from world champion slam poet Theresa Davis that tackles love and loss, family and heartbreak, sexuality and politics, gender and expectation, and all places comfortable and uncomfortable in between.
