**Ayn Rand For Beginners** Andrew Bernstein

Ayn Rand, author of the best-selling novels, *The Fountainhead* and *Atlas Shrugged*, is beloved by millions of readers, and equally despised by a significant number of detractors. Her novels and her revolutionary philosophy of Objectivism have acquired a world-wide following. They have also created legions of readers who are hungry for a deeper understanding of her writings.

Despite her undeniably significant contributions to the literary canon and the progression of philosophy, there has been no simple, comprehensive introduction to Rand's books and ideas, until now. *Ayn Rand For Beginners* sheds new light on Rand's monumental works and robust philosophy. In clear, down-to-earth language, it explains Rand to a new generation of readers in a manner that is entertaining, and easy to read and comprehend.
