Bear Tales and Deer Trails Mike McConnell

Bear Tales and Deer Trails is a collection of hunting stories that take you into the heart of the Tongass National Forest. Come along with Mike and his hunting partners as they stalk bears and deer for food as part of their subsistence lifestyle. Each chapter begins a new adventure in the bays, muskegs and mountains of Southeast Alaska. The stories are full of interesting characters, vivid descriptions of the landscape and a look into a disappearing way of life. You will find information about guns, hunting techniques and lore about the animals themselves. The stories are true and drawn from the authors personal experiences. This is the Tongass when wild was still part of wilderness!
