Everything Asian: A Novel Sung J. Woo

You're twelve years old. A month has passed since your Korean Air flight landed at lovely Newark Airport. Your fifteen-year-old sister is miserable. Your mother isn't exactly happy, either. You're seeing your father for the first time in five years, and although he's nice enough, he might be, well--how can you put this delicately?--a loser.

You can't speak English, but that doesn't stop you from working at East Meets West, your father's gift shop in a strip mall, where everything is new.

Welcome to the wonderful world of David Kim.
