Smoke from the Ashes William W. Johnstone

"I'd like to think I can make a change. Even if I have to back it up with gunpowder."--BEN RAINES

Hell On Earth

The devastating nuclear nightmare of the Great War brings civilization to the brink of destruction. Only Ben Raines and his tireless Rebels share the dream of rebuilding society out of the smoldering remains of America. . .

The power-mad Middle Eastern terrorist, Khamasin, has already begun his bloodthirsty assault on America's southern tier. But an even deadlier threat lurks in the plague-ridden ruins of the country's once-great cities, where crazed, flesh-eating packs of starved mutants hunt fresh, human kill. Raines and his Rebels are in for the battle of their lives. But the do-or-die freedom fighters are willing to face Hell on Earth to strike a blow for America's survival.
