This is the break that Cynthia has been waiting her whole life for. It's her first real shot at fame. A chance to break out of the small club scene takes her career to the next level. That's why her producer, one of the most prestigious on the New York music scene, has invited her to his Western ranch.

Everything seems right in her life. But it isn't. There's one big thing missing: love. She hasn't been able to find it. Like a lot of black women in New York City, she's struggled on the dating scene. She's downloaded all the apps, filled out multiple profiles, gone on dozens of dates. Nothing.

But all that changes when she locks eyes on a tall, muscular blond haired cowboy. Mathew is an ex-football player, struggling with life after his career ended prematurely. He's also a hunk that's never had a problem getting women excited.

When they get together, the blonde cowboy and the curvy African-American diva, sparks are sure to fly. Neither one of them has swirled before. But once they get a taste of each other their lives will never be the same again.
