The Devil's Pay (Dogs of War Book 1) Dave Gross

Samantha 'Sam' MacHorne and her Devil Dogs need a contract, and when one comes in that leads to the haunted Wythmoor Forest, the company moves out with warjacks and slug guns at the ready...

Sam and the Devil Dogs may be relaxing in Tarna, but it's not by choice—they'd rather be employed than resting up. When a dangerous job offer comes from "the old man," Sam takes the Devil Dogs and their newest recruit, Dawson, on a perilous hunt to capture an unidentified warjack before their rival Steelheads or the horrific Cryx make a claim on the never-before-seen technology.

Whether their mission will be worth the risk remains to be seen, but one thing is clear: Sam and the Devil Dogs will do whatever it takes to bring home The Devil's Pay. A novella of the Iron Kingdoms.
