Catholics around the world rely on the Catholic saints for guidance and inspiration . . . so it's important that the saints and their stories be easy to find. *Voices of the Saints* by Bert Ghezzi provides readers with many convenient ways to look up 365 Catholic saints: chronologically, alphabetically, by feast day, even by theme. The saint's patronage is also listed when available, as is the date of beatification or canonization.

While the reference possibilities are abundant, the inspiring stories of these saints are still the primary focus of the book, and each entry is written in such a way as to help us feel the companionship of the saint. The voice of each saint comes through clearly in quotations drawn from their own writings, the recollection of witnesses, and the careful work of biographers.
