Divorced Hurts: He Doesn't Want Me to be His Wife Anymore by Dana Mobley-Hammett, a Texas writer who has penned a must-buy work of insight to every relationship, whether solid or on uneven ground. The title says it all. Dana unlocks the door regarding that potentially treacherous attitude and how best to treat your spouse in encouraging ways but also to recognize the signs when it's going south. One of the destructive, unavoidable pitfalls in today's world comes at the hand of self-centeredness and if both spouses recognize their own independence but dependence on each other in positive ways then the relationship works for all concerned. The author has a way of infusing her most profound thoughts and, after all, the merry-go-round of life cries out for just such a treatment. I know you'll enjoy the read and Dana hopes her words can help others in understanding that life is what it is and divorce really hurts- William Charles, Literary Agent
