Poetry: Explore Kevin Dempsey

This is a book of songs arranged like a music album. Poetry for me is very musical. I talk about emotions, challenges, lessons in life, and dreams of the future.

I explore:

- The old feeling that I am worth what I can do for you
- Self-discovery by visualizing, finding out what I feel and who I am
- Reinventing myself
- Love, longing, and the beginning and end of commitments
- Growing together with polite honesty
- Life cycles and the bigger picture in our limited space and time

Please enjoy.
