Fantasy's Bar & Grill

What goes on behind closed doors is hotter than anything you can order off the menu!

Warning Sexual Content

Zoey Summers is desperate! After losing her job for refusing to sleep with her boss she's blacklisted from every legal firm in New York. The spineless little prick warned her she'd have to beg on bended knees to work in the city again, but it will be a cold day in hell! When she gets an interview with Fantasy's, Zoey's shocked that they want to hire her to make sexual fantasy contracts for their exclusive, membership-only club. Four infamous playboy billionaire bachelors known for their deviant exploits, own the Bar & Grill and she can't help but worry she's stepping out of one bad situation into another.

With limited options, Zoey takes the job finding it ironic that someone with no sexual desire like her, will now be in charge of helping others create fantasies. Working with such sensual debauchery makes her begin to question her own frigid nature. Keeping things professional when working with four of the sexiest men to ever walk the face of the earth is a temptation that even she might not be able to refuse.
