The 2016 Election Battles of the Trumposaurus and 30 Other Extinct Beasts Gini Graham Scott

This book is dedicated to the many opponents who would like to see Trump defeated and the end to his presidential campaign. They feel Trump's campaign has been based on insults, humiliation, and inciting his followers to violence. He has been called a bigot and racist and compared to Hitler. Some have considered him a dangerous evil monster.

In the past, many dangerous and scary beasts have gone extinct, so this book has been created in this spirit of comparing Trump to many now extinct beasts, including early humans and a new Trump species that is sure to go extinct, as many hope.
