## The Devil's Monk Sara Fraser

July 1829. When a female corpse dressed in male clothing is discovered lying in a haystack in the Worcestershire countryside, rumour and superstition abound. For the sighting of a man in white robes fleeing from the scene leads to suspicion that the *Devil's Monk* is responsible for the crime. According to local legend, this vengeful apparition appears at intervals to molest and kill.

Constable Thomas Potts is dismissive of the rumours - but without knowing the victim's identity, he'll need the devil's own luck to catch her killer. And when a second body turns up, Potts is under pressure to track down the murderer before hysteria engulfs the town.
