SUMMARYThis book is divided into two sections (spiritual & social). The Spiritual part is coming from a person that was raised in the church and have seen countless violations and has documented them. Some of the poems simply come from an elevated plain, like love and faith. The Social section has some of today's hottest topics intertwined into poems. Whatever topic moved the writer's heart it also moved his pen. From race to laws of the land there are poems for almost everything. **ENDORSEMENT**A great read! I think the writer crosses all boundaries of what people perceive as norms or social values. His writing leaves readers with provoking thoughts and/or questions. "Is this just a simple poem or has the writer given me a self-assessment checklist." Truly a gifted young writer, he gives us insight from the perspective of the next generation of young men in America. M. "Twitch" Cole"
