The knowledge contained in this little book changed the lives of many people who had the courage to believe and put into practice the knowledge that we share in this book. This book is the result of over 14 years of study, sharing and direct interaction with hundreds of people who attended our workshops and lectures.

Human suffering, of any kind or origin, such as poverty, sadness, depression, all physical ailments, emotional, mental, has only one cause: our separation from our higher spiritual part, our Monad and thus our separation from God.

All bad relationships, all conflicted relationships, all unbalanced relationships, all issues without exception, including religious conflicts, political conflicts, hunger at planetary level, the financial, economic and social crises that many countries go through this time, wars, terrorism, global conflicts at the level of the planet, are the different faces, are the different expressions and the different manifestations of a single problem: our separation from our higher spiritual part, our monad.

Our Ascension, our self-fulfillment, the activation of our light body, the activation of our original genetic code, depend on one thing: our connection to our higher spiritual part, our Monad.

When you separated yourself from your Monad, your light body, your genetic code, your cosmic consciousness, your awareness of the unity of all things, they were disconnected.
