"What if you got another chance at the life that got away?" In an emotional story brimming with wry humor, "New York Times" bestselling author Susan Mallery pens a heartwarming tale of love, family, and a woman's journey of discovery. L.A. accountant Megan Greene has a successful job, a handsome cardiologist fiance, and a doting father. Surely they make up for her estranged sister and hypochondriac mother...and a niggling sense that something, somewhere, got lost along the way. But then Megan's life falls spectacularly apart. Faced with the knowledge that neither her father nor her fiance are the men she thought they were, she is loath to trust Travis -- the high school boyfriend who never quite left her heart. But his reappearance stirs dreams she once reluctantly packed away, and forces her to confront her relationship with her sister -- a bond that has been strained to the limit but has never quite broken. And amid the turmoil lies the promise of a future Megan never expected -- one that may turn out to contain everything she really needs....
