The Power of Positive Thinking in Business Scott W. Ventrella

The Power of Positive Thinking in Business encourages businesspeople at all levels, disciplines, and functions within an organization to concentrate on objective, rational thinking instead of self-limiting beliefs and negative self-talk. The result is an increased ability to deal effectively with tough situations and difficult people, in both business environments and personal lives. This program provides a practical way for each of us to develop the 10 traits of a positive thinker, which, together with rational thinking, can turn defeatist behavior into productive actions, overcoming the toughest of challenges with powerful, positive results.
